- Prepare financial reports, analysis, and management information using Sage Evolution and advanced Excel to support decision-making and provide insight into business and operational performance.
- Ensure compliance with IFRS, VAT, income tax, and statutory reporting requirements while supporting month-end processes, reconciliations, audits, and timely financial submissions.
- Develop and improve financial systems, controls, and reporting processes to strengthen efficiency, accuracy, and governance within the finance function.
- Partner with operational and executive teams by providing financial insights, responding to queries, and supporting the CFO with strategic and ad hoc analysis.
- Maintain high standards of financial integrity, confidentiality, and accuracy while working effectively under pressure during reporting cycles and deadlines.
- Ad-hoc task as and when required by management.

### QUALIFICATIONS, EXPERIENCE AND SKILLS

- B.Com Degree in Accounting, Finance, or related field.
- Membership of (ACCA, CIMA, or ICAN) will be advantageous
- Minimum of 5 years' experience in a similar role, preferably within the FMCG / manufacturing environment.
- Namibian citizen.
- Driver's License
- Proficient in English (written and spoken).
- Able and willing to work shifts, weekends, overtime and public holidays.
- **Required Skills, Experience and Ability:**
  - Systems: Sage Evolution, Advanced Excel
  - IFRS and statutory reporting requirements
  - Solid understanding of VAT and income tax compliance
  - Experience in cost accounting.
  - Solution-focused approach to internal and external queries
  - Professional communication skills
  - Deadline driven and effective planning.
  - Able to perform under pressure
  - Strong attention to detail
  - High level of integrity and confidentiality
  - Reliable, organized and accurate
  - Analytical mindset with problem-solving ability
